

ADDENDUM TO RULES & REGULATIONS - JULY 30, 2019

The Rules & Regulations originated in 1995; Page 6, item 7 stated, *“No flag except the American flag not to exceed 3’ by 5’, in size on a pole, may be hung from a dwelling unit.”*

During the newly revised Rules & Regulations, this section was dropped from the book. This was not intentional and can be found in the previous Blue Handbook. Therefore, the Rule remains and by this Addendum shall continue to be part of the Rules & Regulations.

Please insert this Addendum in the back of the revised June 2019 handbook.
